

Relais La Corte di Bettona

Relais La Corte di Bettona, which was originally a medieval "hospitale" for pilgrims and orphans in the 14th century, has been renovated by an impressive restoration project that joins elegance and history with the original place. This Relais is located in the main square of Bettona, an enchanting medieval village, in the top of the hill. All accommodations are

furnished in an elegant, sophisticated manner, and each one shows the careful that was given to the restoration. Each room offers individual climate control system (heating and air conditioning), satellite TV, minibar, direct telephone and private safe, Internet connection. Really good the internal restaurant where it is possible to enjoy the Umbrian typical recipes.
