

Ripa Relais

The hotel is located on the slopes of Ripa's ancient castle, just in front of Assisi. It is the ideal place where you can relax and regenerate yourself, in contact with the most unspoiled nature, and far from the daily routine of frenetic life.

The sixteen rooms are placed in three old farmhouses carefully restructured

with a delicious internal square charm of ancient times.

All rooms have wooden beams, the typical beds made with wrought iron. Rooms' facilities: air conditioning, Tv, mini bar, hair dryer.

The internal restaurant will offer to you the traditional Umbrian recipes.
