

L'Orto degli Angeli

Three important families from central Italy have lived in the building which includes two ancient dwellings: "Palazzo Alberti" and "Palazzo Andreozzi".

An unbelievable hanging garden "hortus" is the connection between the two buildings. In palazzo Andreozzi there are the prestigious remains in particular the two ambulatories of a roman theatre of the I century A.D.

The fourteen rooms and suites of the Residence are all different and preserve most of their original fittings: antique furniture, paintings,

kitchen utensils and little things which have always been there and tell the history of the family giving a special charm to these comfortable spaces.

The hospitality is completed by our restaurant "Redibis", situated into the extraordinary location of spaces gained from the restored remains of the ancient roman theatre. Inside a contest of a unique and majestic atmosphere, the guest will meet an interesting proposal of cuisine, combining the latest trends with the traditional flavours of the local cuisine.
