

Relais Todini

Relais Todini is located on a hilltop in the heart of Umbria in an ancient 14th-century manor house surrounded by the vineyards of a 740-acre estate owned by the historic Tuderte family, from whom this period residence takes its name. Permeated by the warm and welcoming atmosphere of days gone by, the environment of the Relais consists of stone and terra cotta, frescoed walls, fireplaces, tapestries, strictly period pieces and 12 luxuriously furnished rooms,

all unique, and equipped with every convenience. The elegant restaurant, with scenic terraces overlooking the city of Todi, offers both refined international cuisine and the typical dishes of the Umbrian gastronomic tradition. The Spa Relais Todini wellness centre is managed by an expert professional staff and offers a wide range of personalized treatments, also available through its exclusive In-Room Spa Service: from Ayurveda to wine baths and colour therapy.
