

San Pietro Sopra le Acque

It is an early 17th century convent decorated with beautiful frescoes authentically restored to their original splendour. It is surrounded by an ancient wood of oaks and elms, in it immersed in the unique silence of the Umbrian country side. It has a large car park, Italian rose garden, as well as a park with age-old

trees. The complex includes an interesting archeological trail on an old Roman necropolis with a consecrated church. An ideal setting for ceremonies in a unique and fascinating environment. All rooms are equipped with: satellite TV, wi-fi connection, private safe, climate system, direct telephone, mini bar.
